

I am a highly motivated young Front-end Developer, with a desire to continuously improve my skills. I have a good knowledge of CSS3, HTML5, JavaScript ES5+ as well as basics of Vue.js. Fast learning and team work are my best assets. Privately tea and coffee lover.

Freelance

Single Page Application Vue.js

Currently I am working as a **freelance Front-end Developer** on **SPA** project. With a team of developers we are creating a page that will connect freelancers with customers. On this project I am working with **SASS** and **Java Script** framework **Vue.js**.

Acomoeye.com

The second project I am working on a new version of **AcomoEye website** which will **be live by the end of the year**. Here I am working with **CSS** and **SASS** as well as **JavaScript**.

Experience

Jun 2019 - Oct 2019	<div>Isobar Poland <i>Content Editor</i> As a Content Editor at Isobar I have the opportunity to work on variety of websites published through the Shopify, and Umbraco CMS.
