Wiktor Drozda

I am a highly motivated young Front-end Developer, with a desire to continuously improve my skills. I have a good knowledge of CSS3, HTML5, JavaScript ES5+ as well as basics of Vue.js. Fast learing and team work are my best assets. Privately tea and coffee lover.

Experience

Sep 2019 - present

Freelance

Front-end Developer

I have worked as a Freelance Front-end Developer since September 2019. Untill now I have been working on several websites including **new version of AcomoEye.com (preview on acomo.wiktordr.com)** website, **DavidOlbran.com** and **Nasiludzie**. Here I have been working with **HTML**, **CSS**, **SASS** and **Java Script**. **Code and links** to my projects are available on **my GitHub (https://github.com/wiktordr/)**

Jun 2019 - Oct 2019

Isobar Poland

Content Editor

As a Content Editor at Isobar I had the opportunity to work on variety of websites published through the Shopify, and Umbraco CMS. Due to high demand for front-end work on this project I was able to support the team with my programming skills

- Basic front-end development (HTML, CSS, JavaScript).
- Copywriting and content editing on multiple websites.
- Performing quality checks for other Content Editors on the project.
- Working on various tasks under time constrains.

Nov 2018 - May 2019

Quality Life sp. z o.o.

Social Media Manager / Content Manager

In Quality Life I have been managing Social Media platforms (Facebook and Instagram) as well as online shop platform - Sellingo.

- Answering to clients via Facebook and Instagram
- Creating and publishing content in Social Media.
- Managing promotions and content on the online store.

2017 - 2017

Polish Yachting Association (Polski Związek Żeglarski)

Junior Office Manager

I have been working in Sports License Department of PYA as a Junior Office Manager. While working there I have been processing and archiving documents containing sensitive data.

- Managing internal record systems.
- Archiving documents.
- Verifying license applications and writing official letters to applicants.
